HELP

Having trouble logging in?

- Make sure you have created an account. If you have not, [register now](#).
- If you have forgotten your password, enter the email address you used to register in the login box and click the Reset Password button. We will send you an email to help. If you don't receive an email shortly, check your spam filter.
- As of January 19, 2017, the Money Smart CBI has been updated to enhance functionality and user experience, and to enable compatibility with tablet computers. The course content of the adult and young adult courses remains the same. As a result of this upgrade, users will need to create new accounts to continue completing Money Smart CBI modules. Once you have created a new account, you can submit a helpdesk ticket if you have any further questions. You should receive a response to your helpdesk ticket within 2 business days.

The default launcher page is the **Money Smart LOGIN** page. Participants will need to be directed to select the **REGISTER** tab when they first login into **Money Smart**.
